Ignite

IG-NITE - To cause to burn, to set fire to. To subject to great heat, especially to make luminous by heat. To arouse the passions of; to excite.

When Jesus walked among us, he **IGNITED** excitement and hope for thousands of people. Christ United Methodist Church wants to **IGNITE** your passion for the mission of Jesus. Consider these opportunities to **IGNITE** your own faith as well as the faith of countless others. Simply look and see what stirs your heart, pray about going, sign up, then most importantly **GO!**

Ignite 2011

GUATEMALA

Casa Aleluya is near San Bartoleme, Guatemala. CUMC has been sending teams to Casa since 2004, and we have a wonderful relationship with founders Mike and Dottie Clark, as well as the missionaries and children of Casa. Chris Perry, one of our own college students, is presently serving as a missionary at Casa. We have done many different projects over the years including plumbing showers, building kitchen cabinets, painting interior rooms and exterior areas, gardening, and an assorted amount of things. You do not need particular skills, just a willing, serving heart.

When: June 11-18, 2011

Who: Adults, college and older

Cost: Expected to cost about \$1,200

Contact: Brenda Davis, Brendad@inworship.org

Visit casaontherock.org for more information about this site.

Ignite 2011

COSTA RICA

Costa Rica is a beautiful country. San Isidro, the home base for Costa Rica Mission Projects, is only about 35 kilometers from Dominical, a popular beach for surfing. This trip will involve some basic construction; however, everyone from seasoned professionals to folks who have never held a paintbrush before are welcome. While the most visible result is often the structures built, we are equally as concerned about the relationships that are built between teams and their host churches. You **are not** simply imported foreign labor. You **are** invited to participate in the church's embodiment of Christ.

When: August 6-13, 2011

Who: Adults, children or youth (accompanied by a parent or guardian)

Cost: Expected to cost about \$1,200

Contact: Bobby Williams, bobby@christumcmobile.com

Visit www.costaricamissionprojects.com for more information about this site.

Ignite 2011

FAMILY MISSION

Tuskegee is in the central eastern part of Alabama. Teams will focus on home repair. Groups eat, sleep, and have evening activities at a historic parsonage (begun as the Huntingdon Women's College) and Tuskegee First UMC. Tuskegee is home to the historical Tuskegee Institute and the Tuskegee Airman Museum. It is located in the agriculturally rich Black Belt and just 30 minutes east of Montgomery. These weekend trips are for the whole family. All work projects are facilitated by ARM (Alabama Rural Ministries). ARM believes in "sharing the love of Christ through home repair and children's ministry."

When: FALL 2011, specific date (s) TBD

Who: Adults, children or youth (accompanied by a parent or guardian)

Cost: Expected to cost about \$50

Contact: Bill McLarty, bill@christumcmobile.com

Visit www.arm-al.org for more information about this site.

Ignite 2011

FRANCE

Vireux-Molhain, France is located in the mountains near Belgium which is less than 10 miles from Givet. The area has approximately 30,000 people with a combined attendance of less than 200 in all the churches in the area. Our goal will be to help a small church with their present facilities. We will remove a wall to expand the sanctuary, construct a new entrance, as well as paint and spruce up the buildings. We need folks who have no experience in construction to seasoned professionals. Don Williams is the missionary of this church who is Bobby's brother.

When: September 14-21, 2011

Who: Adults

Cost: \$1000 + **airfare** *per person for food, lodging, and rental vans.*
*Because many individuals choose to stay longer for vacation, **airfare is booked by each couple/individual** planning on participating in this trip.*

MEDICAL MISSION

Haiti was devastated by an earthquake in 2010. CSI, Christian Service International has been involved with the recovery effort from the beginning.

CSI's ministry focus is building community through relationships. By partnering with nationals, we will provide them with the necessary tools and skills to become the leaders in their communities. We will be teaming with CSI to take a group of medical professionals on a mission trip to this area that desperately needs help. We need at least one MD, PA, or NP. This person can serve as clinician. We also need as many nurses that are available to consider joining us for this trip.

When: November 2011, specific dates TBD

Who: Adults, Medical Professionals

Cost: Expected to cost about \$1,500

Contact: Amy Owens, alohdo2@gmail.com

Visit www.csiministries.org for more information about this site.

I'M READY

Spots cannot be guaranteed. Please register at least three months prior to the trip to allow for proper planning, especially on overseas trips. More paperwork will be required on all trips. This form notifies us of your sincere interest in joining a team. Also, please plan on attending all the information, planning, and preparation meetings that will be scheduled for the trip. When dates are scheduled the team leader will contact you to notify you of the meeting and payment plan for the trip you select.

Name: _____

Email: _____

Address: _____

Zip Code: _____ Phone: _____

I would like to get more information about:

- Guatemala, June 11-18
- Costa Rica, August 6-13
- Family Mission, FALL 2011
- France Mission, September 14-21
- Medical Mission, November 2011

- Also, I'm interested in a mission trip to ARGENTINA, SUMMER 2012.
